“ *Such wonderful memories of Bibs! Growing up, our family all looked forward to the Millers coming over on the weekends. We had so much fun playing and playing some more with Carol Ann, Karen, Mike, and Barney. I remember I tried to sleep over at their house several times, but never made it through the night. We will always miss you, but know you are reunited with Bud and the rest of our family. With all my love.*

“ *Saturday nights at their Mundelein house, sitting at that big dining room table,- talking and laughing for hours and hours - about anything and everything - not to mention the great trips, (ocean cruises,), Bud, Bibs and myself went on together. These priceless memories are with me forever so i can replay them over and over and not be sad that she's gone, but so grateful that they happened.*
