“ Dorothy and I were connected from the very beginning (and not because of the CUBS---but that was part of it). I've considered her my friend all along and will miss her. Remember the good times, the smiles and the laughter for not only is that what will give you strength but it will last forever..... Truly.

“ My sympathy to you Claudia, and your family. With your mom being the Cubs fan she was, she believed in miracles and happy endings. I'm sure there are Cubs championships in heaven for her to enjoy. I know she will be missed, but she's now pain free & with her husband. Again, my deepest sympathy.
