“ Doug and I shared alot of memories together, from working together at Nalco where he was mentor and boss to having fun playing golf in Wisconsin. We both went to the first round of the Masters back in 2003. He was always there for me at work under some extremely difficult circumstances. I will miss him so very much and will think of him every time I tee off on hole #13 at Northbrook Country Club in Wisconsin (this was a hole we sponsored as part of a Cystic Fibrosis Fund Raising outing). The sign read on the hole read "Sponsored by the Boys from Illinois" with a picture of a Manhattan/mumbler. The other part of Doug that always stood out to me was his love for his family!! He so loved the times at the pool and helping with the grand kids. My deepest and heartfelt condolences to all of you. My hope and prayer is that you can focus on the wonderful memories to help you through this difficult time.

“ We will always cherish the many memories we shared with Doug and Jan during our long friendship. Holidays our families spent together, Friday nights in the hot tub, backyard volleyball games, rib cook-offs, our trip to Colorado, whitewater rafting and driving through the mountains are a few of the memories that will be remembered with fondness. A cherished highlight are the many discussions we shared about our children throughout their middle school and college years.....wonderful memories.  
We are thankful for the years we shared as neighbors and friends. Doug will always be remembered for his positive outlook on life and his contagious smile.  
We don't have the words to share our sorrow for your loss but know Jim and I and our family send our condolences and love during this most difficult time.  
Love and God bless,  
Marilyn and Jim

“ Doug was a great guy, we worked together in the HR Department at Moore in Niagara Falls. He, Bob Rossi and Matt Bove are all friends of mine from the old days at Moore and as you know they were golf partners, I left Moore when it was still in Niagara Falls, so most of my friends moved on to Chicago. Doug was a regular correspondent on political matters and we both say the "world" in the same way. I will miss him and I will remember him in my prayers. My sincerest condolences.

“ Dear Jan and family, I worked with Doug for almost 10 years way back in the 1970's. Doug was one of a handful of people from back then that I have thought of often and hoped I would someday see again. He was funny, kind and true and everyone I knew that knew him felt the same about him. This news is heartbreaking - to lose such a great guy so young. I will keep you all in my thoughts, as I am sure you will remain in the thoughts of the MANY lives Doug has surely touched.

“ Jan - Our thoughts and especially prayers continue to be with you and your family. Doug was a great person to know. Whether on or off the golf course, one could count on enjoying his friendship and sharing laughs. Doug was very generous with his time and talents at the condo as well as participating in the Harry Chapin Walk for Hunger. He will be missed by many people.

“ Dear Jan  
Doug always struck me as a man who had found the perfect balance in his life. He was able to juggle family, friends and sports and still have time for his daily walks with you. I will always remember the evenings we spent with him and how sweet and patient he was to teach Hand and Foot to some beginners. One day I will never forget is when you both came to downtown Chicago and picked Jeff and I up and drove us to Naperville to visit with my sister and husband.  
Jeff and I were both devastated to hear about his illness and his passing. I wish we lived closer to you and could help.

love Melissa and Jeff

“ Doug always had a smile on his face, was upbeat, and encouraging. My best memories are of the time we spent in Albuquerque working together and getting things accomplished, and of all the fun times at his home partying the day away. I will miss you, my friend.
