

Douglas F. Reed

January 6, 1949 - July 13, 2024

Douglas F. Reed, 75, passed away unexpectedly at his Libertyville home on Saturday, July 13, 2024. He was born January 6, 1949, to Russell & Maree Reed in Hammond, IN and when he was 13 years old, the family moved to Munster, IN, where he was in the first graduating class from Munster High School in 1967. Doug graduated from Purdue University in 1971 with a degree in Chemistry and later received an MBA from the University of Chicago. He began his career immediately upon graduating from Purdue, working for GE and moved on to greener pastures working for Baxter Healthcare Fenwal Division. During Doug's very successful career at Baxter he made life-long friendships and enjoyed an active social life. In 1978 Doug married Wendy Wilcox Smith and they had two sons, Nathan & Blake. His career led them to move several places before settling in Libertyville in 1996. He worked as a Project Manager for Abbott and then Hospira Pharmaceutical which became Pfizer Pharmaceutical.

Upon retirement, Doug became an avid and skilled cyclist. A 30-mile bike ride was his desired distance along with clocking his speed, always trying to beat the time of his prior ride. Before the days of electric bikes, Doug would often ride with his cousin John Paul's group, "South Placer Cyclists" out of CA for annual multi-day rides. They cycled through Washington, Idaho, Monterey and Jackson Hole to name a few and he also took 5 Trek Travel rides, even one through Europe.

Doug was a man of many passions with music being at the top of the list. He

attended more concerts than one can remember. A highlight was seeing Buddy Guy's January shows at Legends, framing the autographed posters and ticket stubs for posterity. Doug always knew of some new group that he'd discover as he enjoyed being connected to the live music scene.

Another passion was crewing on the sailboat of his dear friend, Ralph. Doug would always get at least a couple of scrapes & bruises during every sailing race, but that never dampened his love of the sport. Perhaps because the best part was sharing post-sailing craft beers, Silo pizza and camaraderie of his friends.

Doug's love of craft beers was impressive. He was a very particular about the hops used in IPA's and was known to walk out of a restaurant if they did not serve an IPA to his liking. He was also known to plan vacations to visit various craft beer breweries no matter how far off the beaten path they were. His quest for knowledge, regardless of the subject, was insatiable.

Doug is preceded by his parents. He is survived by his 2 sons, Nathan & Blake; his sister, Avis; a brother-in-law, Dewey and significant other, Jane.

A visitation will begin at 12:00 p.m. followed by a service at 1:00 p.m.

Wednesday, July 31, 2024, at Burnett-Dane Funeral Home, 120 W. Park Ave. in Libertyville. To view services virtually, please visit funeral home website for the livestream link beginning at 12:30 p.m. on Wednesday. For info: 847-362-3009 or share a memory at www.burnettdane.com.

“ *Doug was a friend for life. He had a gift for staying connected with people and would seek out old friends. I last saw him when he cycled around Monterey, California and he loved his bikes and those trips. The news of his passing was late in reaching me and my sincere condolences to his family and loved ones. Doug will be missed but he left many fond memories.*

“ We just found out about Doug's passing yesterday, September 16th, so are sending our condolences belatedly. I had the pleasure of serving on Libertyville's Sustainability Committee for several years with Doug. His sharp mind and enthusiasm were always appreciated. We especially enjoyed his visit with us in Colorado, shortly after we moved here. Although he was theoretically on a tour of some of Colorado's breweries, we convinced Doug to experience the wildlife in nearby Rocky Mountain National Park which he enjoyed immensely. Our hearts go out to Doug's entire family and to his significant other Jane.

“ Doug ..was such an enthusiastic supporter of all green endeavors. He chaired the Sustain Libertyville Commission and helped with the Green Living Fair for many years. I worked with him in 2023 to bring back the Green Living Fair. His energy and enthusiasm for make Libertyville and Lake County greener will be missed.

“ Doug was a long time member of the Pike Kappa Alpha New Years group. We attended Purdue University back in the late 1960's and early 1970's and many of us have been gathering together every New Year since 1975. Doug would surprise us and show up every so often. He was always friendly, caring and curious about life and incredibly bright. We will miss him and will raise a glass in his memory at our annual gathering this year in Colorado Springs.

“ Doug was a long time great good friend whom I shared many adventures with starting in the 70s. More recently my wife Mary Beth & I shared some adventures with him in Tahoe, Monterey and Moab. Mary Beth and Doug also shared their mutual passion for esoteric chemistry and science. We miss him a lot. Rest In Peace old friend.

“ Our deepest sympathy to Doug's family and all those who have loved or been loved by Doug. Our friendship goes back to Junior High School and we share many mutual friends. Doug was always fun loving and had the best laugh. He was sensitive to others needs. I am thankful that he introduced John and I to each other. Our families visited each others homes, and our children also knew each other at Purdue. I respected Doug's intelligence and strong work ethic. Appreciated his zest for life and commitment to strengthening friendship. peace and love, Paula Hammond
