“ *I was back yard neighbors with Dragan for 25 years. Through them all, Drag was a pleasure to talk with - and man did we talk. What impressed me most about Drag was the light of intelligence that burned in him, and his love for debate and discussion. And I loved his smile. Ziveli, my brother, and peace to you!*

“ We’ve been friends & loved each other in our own way for 40 years! Not many can say that! You were always there for me and I know you will continue to be with me until we meet again ❤️ I will always cherish the time we spent over the last few months on the phone & through our texts almost daily! You were an incredible man and LOVED LOVED by so many! It’s time for you to Rest and love those you encounter in Heaven. They are now the lucky ones as we were SO Blessed to have you while we did!
