“ *Dwayne - The Blair family sends you off with heavy hearts, yes, but also with joy that you are now in your heavenly and eternal home. We will always cherish good and wonderful memories of you through our experiences we had in Boy Scouts when all three of our sons shared those moments with you as our church liaison, and also of the many, many track meets that you officiated in while our boys were running in Libertyville High School. Of course, we will always remember the good and sweet times knowing you and enjoying all those conversations about history, language, culture, sports and church activities. What a great man you were! We are grateful for having known you! Peace!*

“ Our prayers of peace and comfort go out to the families of Robert and Debbie on the passing of a kind and loving man that was a mentor to everyone he met. We've known the Foote family over 30 years (Debbie was one of our first baby-sitters) through the First Presbyterian Church of Libertyville. Dwayne was always willing to learn and apply new skills. He enthusiastically volunteered to help run the sound board for Sunday services and special events. He was a quick study and was always willing to serve when needed. He shared his gift of hospitality with everyone he met. God's Blessings to the Foote family as they carry-on the beautiful legacy that Dwayne has created.

“*Mr. Dwayne Foote was my favorite teacher at North Chicago Community High School. I had him for World Civilization (freshman year) and U.S. History. As a teacher, he was funny, engaging, never boring, and very enthusiastic about his subject matter. He also had a unique ability to maintain class order without yelling or losing his temper; he simply treated all of us with respect, and we respected him in return. We looked forward to the end of the semester when he would reward the class with one of his hilarious, epic stories (usually from his college days) which would take up the entire period. I'm glad that in 2013, at the visitation for his late sister (Miss Foote was also my teacher, for Spanish 1), I finally had the opportunity to tell Mr. Foote he was my favorite teacher in high school.*

I offer my sincere condolences to the family. May God ever be with you. Thank you for sharing your dad with us.

He helped me to be a better coach but I'm sure he didn't know me personally. Imagine the impact of his life given the number of coaches and athletes that he worked with. What a wonderful soul. You are in my prayers.*

“ *I absolutely loved my History class with Mr. Foote my Sophomore year at NCCHS. He always told us history had to be taught and learned with excitement - so he always gave us very interesting sessions, which led me to taking so many history courses over my college years. Brilliant man with such a fun-loving personality. I've wondered about him all these years after graduating in '92. He was one of my favorite teachers. RIP Mr. Foote.*

I first met Dwayne when he was one of my timers at the State Track finals. I introduced him to my son and they conversed in Russian. Dwayne was always looking forward to the next edition of the IHSA track hats. He always had a smile on his face which went well with his confident, professional approach to track officiating. My biggest honor was not being an Honorary Meet Referee but gaining that distinction along side of Dwayne. May God rest his soul. Prayers to his family and friends.

“ Coach Foote was a great teacher and coach at NCCHS for many years. I remember being on the track team while in high school during his coaching career. He was never short on praise and motivation for all members of the track team regardless of ability. Whenever I go running, I can still hear his voice with passion saying "pull with the arms".
Rest in peace, you made a difference in my life and many others.

“ *Dajuvu, I was just speaking highly about Mr. Foote to a fellow Alumni of NCCHS.
In 1971, I had Mr. Foote for my History Teacher as a Freshman, his class room was in the History wing next to the Guidance office, Mr Celba was up the hall and Ms. Foote, his Sister was across the hall as our Spanish Teacher.
Mr. Foote, was a very kind, passionate. Tolerable, Soft spoken, understanding human being. I remember he had our class to write an essay and he flourished me with compliments on my " LIFE IS A BOWL OF CHERRIES ". He was so proud of my writing that I never forgot how excited he was, that he made me !! He was a GREAT MAN AND TEACHER THAT HAS ALWAYS REMINDED ME OF MY OWN FATHER. MR. FOOTE WILL BE GREATLY MISSED. “ Dwayne was a long time and dear member of the First Presbyterian Church of Libertyville. I had the great opportunity to work with him on the 140th celebration of the church and to hear the history that Dwayne had about Libertyville and our Church as just a treasure. my fondest memory was that he always sat in the last pew of the church, shaking hands with folks as they were leaving services. That is where he and Sharon always sat.

Appreciate our conversations, and being able to visit with him at Spring Meadows and then Libertyville Manor. My comforting prayers go out to his family and know that we are all sending you prayers.

Coach Foote brought me on as his assistant as a very young teacher/coach right out of college. He taught e quite a bit and I am forever grateful for the lessons I learned. He was one of the most positive individuals I have ever known and has a long history of molding young minds and getting young athletes to perform extremely well. Life is a succession of memories and he helped create many positive memories for those we coached.
