“ Al & I were sad when we heard the news...we will miss you friend - thank you for being a joyful, calm, and generous person to us. Let's not forget all the years we shared as Signode co-workers. (It makes me remember all the plastic strap samples the Intl Group sent you to test and report and the stories behind them - you were the best!). Have a wonderful reunion with the love of your life and much peace. With love, blessings & God speed.
