“ I worked for Ed at this hardware store for 5 years. He was extremely honest, full off integrity and had a heck of a sense of humor. He was another great example for me next to my own Dad. He brought soo much knowledge to his many dedicated customers along with his other fine qualities. He taught me soo much. He put me on a better path by being an example of truly a fine man in every way. Almost like a 2nd father..... I know my coworkers at the store Todd, Mike, Chris and Pat all feel likewise about this fine man. RIP Ed. You're with Dotothy once again and again, thank you.
