“ Dear Chambers family - Ed was a valued colleague in my department at Abbott. When I relocated from Europe, Ed was my trusted person to recommended great restaurants and fun activities in Lake County. He was a great storyteller and sharing with me all his woodwork projects he did in his basement including detailed description of the specialty tools. We both have a passion for cars and Ed made me appreciate the American muscle car which I now do. When he spoke about his wife and his kids, his eyes start tingling as little stars. Ed was a great person I will remember forever.

“ I knew him as Ted for over 40 years. My late wife and I thought so much of he and Cherron that if something had happened to us we would have had our son's go to live with them. He was a man of high character that I admired and had great respect. He loved his wife and children with great passion. We enjoyed sharing our stories of flying which we both did in the service of our country. We lost a great man.

“ Chevron, Erin, Erik, and Family,

Please accept our deepest sympathies on the loss of a beloved family member, muscle car fan, and football enthusiast. We have fond memories of Boy's Club Football games, and cookouts. Joe still remembers the first restart of the Camero after Ed rebuilt the engine. May God's peace surround you and comfort you. Fondly, Joe and Jackie
