I'm so very sad to learn of your Mom's passing. She was the loveliest, classiest lady -- inside and out. I learned so much from her, especially the importance of family. Oh, how she loved her children and grandkids. She will be dearly missed.*

“ Our sympathies to you on the passing of your Mom. Remembrances of Elaine through the years always include her megawatt smile, kindness, beauty, and her ability to see the bright side of everything. I can remember what a cute family you all were when you were little, way back to when your folks lived on Fletcher St. They lived upstairs and my Grandma Lil lived downstairs (Jeff was just a baby) and the Frahm kids would run back and forth and up to the attic from where you could see Riverview Amusement Park. May you be comforted by warm thoughts of your Mom in the days to come.

“ Dear Cindy, Pam, and Dave,

Your mom and I ran in to one another in Hualtuco Mexico a few years back. There was an earthquake there (8.8?) and everyone was deciding what to do. She was with her friends - smiling, laughing, and being her happy, beautiful, natural self. I hope that she is on her best trip ever now!

Thinking of you all. Stay strong.

Warmest regards, with love, Kelly.

“ to family

We were very surprised to hear of your mothers passing we were not aware she had been sick and having moved here to Oregon did not seem to have much contact with family friends.

My fondest memory of your family was the year your mom asked me to play "Santa" one of the high points of my life.

Condolences
