“ Ann was a good friend, always, the several years I lived in Libertyville. She was the Welcome Wagon lady and helped me with my business as i was a member of Welcome Wagon. We continued to share family info every Christmas after that even though I moved several times after Libertyville. I will miss her wonderful sense of humor and her lovely smile. I am so sorry for your family's loss. I will pray for you for your loss. Very sincerely, Nancy Lyons in Overland Park, Ks.

“ One of my favorite people on the planet, you will be so missed. We would sit and talk and laugh about the crazy lady at the birthday party every time we would see each other. Always aglow with a smile and laughter, always saying things like "I just get such a kick out of her", always making me feel like one of her own. There are no words.

*Much love , many prayers, and hope you all find some peace in knowing she is renewed and you will see her again.*

*Hugs and prayers,

“ Ann and I shared a love of liverwurst sandwiches with onion on rye bread. When we visited in 2013 for the big 50th anniversary, she went out and bought some for me. It was delish. Our family will miss Ann.
