“ *A beautiful lady who gave me one of my best friends ever. Warm.
Wonderful. Lovely lady who welcomed me with open arms into her
lovely home. Lover of animals - big and small. May she rejoice now,
reunited with Matt again. Love to those here left to grieve, may
everyone be comforted by the wonderful memories of Elizabeth.*

“ *May your loss be less knowing Betty in now surrounded by her son,
mother, father and aunts with Bo and Charlie lying at her feet. I
worked with Betty in her last years at Abbott and I want you all to
know how proud she was of her children, grand-children and her
sisters, her family. You can be proud of who she was and where she
is. God Bless Caroline Walker*
