“ *Ellen was a very special person. I will always remember her driving my mother and I downtown. One time she touched the car in front and wanted me to get out and talked to the other driver. I told her NO. My mom and dad had many parties years ago and Chester and Ellen were great fun.
Deepest condolences to all.*

“ *Aunt Ellen and I joked about this 30 years after the fact. At the time it made her mad and me upset! We are two peas in a pod = very stubborn! She ordered in some type of famous Greek hot dogs. At the time I loved hot dogs. Except I didn't like the sesame seeds buns. The famous hot dogs had sesame seed buns and I would not eat it. She made me sit there for an hour until I ate the hot dog. I finally took the hot dog out of the bun and ate the hot dog. She was happy and so was I.*
