“ *Tita Es is an amazing lady. A lady of distinction an educator that touched everybodys heart and became an inspiration to all. She is resting now and I know her life was completely fulfilled. No one in St. Lukes can follow her footsteps. She left in the hearts of all that she had touched a broken heart, tears in our eyes and emotions too difficult to explain. But she is in a better place now and she watches over us. Our loss is heavens gain. Tito Al is smiling now for the love of his life is beside him. We miss you Tita Es but we feel peace in our hearts because we know you know that we love you beyond the clouds. I will miss your wonderful motherly advices to me. I am so glad I was able to talk to you a day before July 14 ,2016 and my son Nelson who was Tito Als military buddy was able to talk to you. This memory will remain alive in our hearts. You will always remain alive to me because you are part of me. Loving you Norma Marino Navarro class 57 from Cerritos California 90703*
