“ *I remember when my dad brought Esther to visit our home in Austin. She was a breath of fresh air. Our family embraced her with open arms and loved her, not only for her friendship with our dad, but for the love and support she gave to all of us. She has left behind a great legacy for us who were fortunate enough to have had her in our lives.*
Love and prayers to her dear family.

I loved Esther! She was feisty! When I first met her she asked if they called me Patti or Pat. I told her mostly Pat but either is fine. She said "I'm going to call you Patti. Patti Banks sounds better than Pat Banks!" Just loved spending time with her!
