“ To the Alfonsin family,

*I was Gene's last admin assistant at Centel. It was a pleasure working with him and an honor to know him. I have many memories but one I'll never forget. Back then, all the execs were always addressed as "Mr." so and so. The first week I started working for Gene, I was in his office and I called him "Gene" instead of "Mr. Alfonsin". The look on his face was priceless. It became a "Mr. Alfonsin" and "Miss Ghilardi" joke between us.*

*My thoughts and prayers are with you all.*

*Mary*
