“ *Uncle Gene, my forever favorite uncle, I will miss you. I remember living in the house in Buffalo Grove and you coming home for dinner after working all day. The time you spent with a house full (and it was a houseful) of kids playing, talking, dancing, being silly just showed what an amazing man you were. I was so lucky to have the chance to be part of it, and I thank you for taking me in and treating me like one of your own. I am sorry that we didn't connect when you were passing through to Heaven on Earth. Now you are in the real heaven, and I hope it's everything we all believe it will be. I will miss you...thank you for being such a wonderful favorite uncle. Love, Suzanne*
