“ I hung out with Gael and a wonderful bunch in high school. So sorry to hear this. Missed her at the reunion in Sept. Gael was always an authentic, wonderful person. Her smile was infectious! We had plenty of laughs and great times scooping the loop in Waukegan, going to school dances and just being silly. It was a wonderful time and place to be a teenager! She will be missed by many. If there is anything we classmates can do, please let us know! I have posted the visitation and service time and date on our high school Facebook page. Waukegan nineteensixtyfive. Love to you all!

“ Although I am deeply saddened by Gael's passing, I am glad she is no longer in extreme pain. When I talked with her on the phone, she was getting weaker and having difficulty breathing more frequently. I will miss her pure, unconditional friendship and am happy to have had her in my life. I will treasure my little Christmas Tree forever and the lights shine for Gael.

“ Dear Lippert Family~
I was saddened to arrive at Midwest Palliative/JourneyCare this evening and see that Gael had passed away. She and I had some great talks (2 peas in a pod!) and I really enjoyed visiting with her. Please know that you all are in my thoughts.

“ I worked with Gael at Legal Aid in 1971/1972. We became friends as well as co-workers. Ill always remember her as she inspired me at the beginning of my career. We've stayed in touch through the years and she will be missed.

“ Dear Gael: You were such an amazing person! I admired you when you went to nursing school and the grace and intelligence you had. I remember taking our boys, Mike and Kevin to K-Mart in the 70's to buy Star Wars figures. You and Bob stopping by the house on his motorcycle, and the amazing relationship and love you shared for each other. You will remain forever in my heart. Deepest condolences to you Mike, your wife and son and all the people she touched.
