“ So sorry to hear about Gaylord’s passing. I worked with him back in the 1980’s, when our company, KMA / Mansfield Scientific / Boston Scientific in Massachusetts was partnering on joint cardiac catheter and equipment business projects with Abbott Labs. He was a sharp and kind man, and he’ll be missed.

“ Julie, Corbett, Kacha, Michael, Emily and Jessie, I am so sorry for the loss of your husband and father Gaylord was one of the first people I really got to know and work with when I started at Abbott, as such he held a special place in my life. It was good to see him and visit at the wedding. You all were so strong and supportive of him during his many illnesses, he was very fortunate to have such a wonderful family. I send my love and admiration to all the Berry's.

“ Dearest Julie, Corbett and Kacha, Michael, Emily and Jessica, I am so very sorry for your loss. I know you are all holding on to each other with love and support but please remember there are so many of us that love you all and are sending our hugs and prayers. I think back to the fun game nights and how your dad made us laugh. I cherish the trip Julie, Gaylord and I made to Bryce Canyon and how patient your dad was when your mom and I took off hiking! Both Julie and Gaylord kept beating me in Bananagrams too! I also think back to all the times your dad was the overseer of you boys and Caity and the whole gang at the Berry house. RIP Gaylord. I truly miss you and love you. Peace and prayers and lots of love to all of the Berrys.

“ Dear Julie, So sorry to hear of Gaylord's passing, having worked with both Gaylord and you at Abbott Labs., here in S.L.C., this must be a very sad time for you and the children. Knowing and working with the two of you was one thing; but, bumping into you guys at the supermarket, once in a while, was great fun. My condolences, Joe Casalino
