“ Georgia was such an upbeat and kind-hearted soul as our nurse at Spaulding School! She was the first nurse at Spaulding when I started teaching. Georgia had a forever smile on her face and cared for all of the students and staff with a happy heart. But I also remember Georgia telling me to toughen up and stop letting students roll over me my first year of teaching when every student faked a cough or injury. Rest in peace, Georgia. Heaven gained an angel.

“ I worked with Georgia in Gurnee District #56 for many years. Talk about an upbeat, kind and gentle soul, that was Georgia. Always there with her beautiful smile and hug. She could make you laugh even if you didn't think you wanted to laugh. Rest in peace sweet lady. You will be missed.

“ Georgia, was a wonderful woman and a fantastic school nurse while I taught at Spaulding Elementary for seven years. She loved every student who walked through her door and she was a beloved staff member in our building. My thoughts and prayers are with her family.

“ Aunt Georgia will always be in my heart as an adoring, gentle and loving Aunt who was never short of giving the most sweetest compliments and love to me as a child. Her quick wit, jokes and priceless mothering advice were my favorite part of chatting with her as I grew older; those days will forever be timeless... until we meet again, RIP 💖

“ The day I met Georgia (in true Lauret fashion) she gave me a big hug and said, “I love your son.” Family ever since. She will be missed but not forgotten.
