“ *My Deepest Sympathy to the Family of Gerry. I worked with Gerry for over 30 years at Peter Baker & Son. He was a great guy, knew many people, and was always there when someone from the company or their loved ones passed away. Very "Old School" guess that's why we got along so good. Godspeed....*

“ *Had Gerry as my 5th grade math teacher at Central School when I was a relative newcomer to Libertyville. He was so kind and welcoming to me. Saw him not too long ago at the bank and he remembered me and was the same friendly, caring person all these years later. Please accept my condolences.*

“ *Mr. Hagerty was my sixth grade teacher at Central School. I grew up in Libertyville, but left when I was in my twenties. He was a wonderful teacher and I learned so much from him. I remember how our class room looked & exactly how he looked back then. So sorry to hear of his passing. May your memories help you through your sorrow.*
