“ *The kindest couple, I feel extremely blessed to have met. I was saddened to hear of the passing of Gerry. He was my favorite. When I came to visit I found it extremely hard to leave as he always had the best stories to tell. I miss those visits. I pray for his family & Susan. I'll never forget your kindness always*

“ *I remember spending Thanksgiving in New York with Jerry, Susan and my late wife Marianne. We went to see the parade in pouring rain that didn't dampen our enthusiasm for the City. It was a great time. I wish I was back then. My sincere sympathies for your great loss, Susan and Dan.*

“ *We were so saddened when we learned that Gerry Mortensen had passed. He was principal of DPE while our children, Rachel and Brian, attended. He was always visible and always kind. The kindergarteners were quite suspicious that the man behind the mask, Zero Hero, was really Mr. Mortensen 😊. More recently, it was such a pleasure to see him when he joined us in the sorting room at rummage. We send condolences to Susan and family.*

I had the pleasure to work with Gerry at Deer Path Middle School in the science department. I also worked under him when he was a principal. He was always a kind, dear person. He supported his teachers, his students and all staff. Things weren't always easy, but he made it seem so. I will miss him. I know Susan and he were incredibly happy together for many, many years. Both, dear friends, Godspeed, Gerry.
