“ Jon, Jim and I were surprised and sorry to learn of your loss today. I remember your mother so well. She had such a lively personality but yet was so sweet. I had some interesting conversations with her when you were ill back in 2002. :) Please convey our condolences to your dad and family. I am writing because unfortunately we won't be in town this Sunday for the visitation. We will be thinking of all of you this weekend however, and in the days ahead. I hope you will share some of your memories of her on Facebook. With sympathy, Jane and Jim Curtis

“ I am sorry to hear of the death of Geri, one of my co-workers when I worked at Lake Forest Hospital 1990-2002. Geri was like the energizer bunny- you always expected her to keep on going. Through the St Dismas bulletin and Sharon Carmody, I became aware that Geri was ill. I have prayed for her recovery; I have prayed for her to meet Our Savior when I realized the seriousness of her condition. God bless your family now and in the future.
