“ I worked next to Gladys everyday at Lockheed Martin. She was a wonderful, kind, loving person and was very dedicated to her work. Her desk is empty now, but the memories and time I spent with her will stay with me forever. I will miss her, as I know everyone here at Lockheed Martin will. It was a great honor to have know her. She often spoke to me of her family and trips to Chicago. God bless her in her new home in heaven.

“ My deepest heartfelt empathy goes out to Evelyn and everyone effected by Gladys transition. I am here for you any way I may be of service.

*My best funny/serious conversation Gladys tried to have with me was in my 20's when we all went to Cancun and I had a serious high level stress Medical Sales job. Gladys wanted to know if I had seriously traveled all the way to Cancun to lay out at the pool, drink beer and go dancing. I said absolutely. She inquired further into all the tourist attractions like Chichen Itza the archaeological site and I said "No Chicken-Pizza for me Thanks"*

*I Thank Gladys from the bottom of my heart for being ONE of the solid SANE members of the Villa clan, she did her best to impart her knowledge and wisdom to the next generation and I am grateful for that and to have had her as an Aunt.*

*Good Journey Gladys!!,  
Lynn*
