“ Uncle Bob, Robbie & Keith and Families: You are all in in my family's hearts and prayers. I am at a loss of words and can never express how deeply saddened we all are for the loss of Aunt Gracie. You are all an integral part of my life having some of the fondest memories growing up. I know that words can never truly express what our hearts feel as the word for the amount of love that you all have for her has not yet been invented. Just know that one day, we will all be together again. The missing piece of your heart will be made whole once again, as it is in safekeeping with her. We love you all and are here for you... Anytime, anywhere, any place... always. With love, PJ, Sandy, Joey & Tommy Colosi

“ Dear Bobbie, Robbie and Keith, please know we are thinking of you even though we can't be with you. Gracie was one of the sweetest people I've ever known. We're never sure why these things happen to such good people only God knows for sure. Perhaps God just needed another angel.
