I don't know who you are Joseph but when I saw Morning Star I realized I found the right Gregg Krumes. I played the drums in Morning Star for a year, then we changed the name of the band to Captured Heart. I just did a search for Gregg to see where he is. I was deeply saddened to learn he had passed. I really liked Gregg. We had a hell of a lot of fun together. Rest in Peace brother.

“ *We lived on the same cul-de-sac in Gurnee. Our daughter, Leslie, used to attend a Bible study in their basement. All the children in that little neighborhood used to wander house to house, all knowing they were safe and loved. Thank you for those times. God bleed you all.*
