“*Mary, my deepest sympathies to you and yours. Greg was one of those special people - he was such a dynamic person and always entertaining - whether he was happy or sad or mad. I had a lot of people who worked for me who came and went from Bankers over the years, many of them forgotten, but I remember Greg like it was yesterday - I missed him! Again, my sympathies and best to you.*

“ So sorry to hear about Greg! His mom and dad's family were old friends of ours. All the way down from my grandparents to my cousins. We keep Elaine company when I go to visit my dad and sister since my mom recently passed away. We love her as family and are lucky to spend a lot of Holidays with her. She talks about you guys all the time. So sorry again and just missed the services today. All our love, Judy ps I sent this weeks ago, but I'm not so good on the computer and sent it to myself accidentally.
