“ So sorry to hear of Gwen's passing. I remember as a child at family gatherings looking with awe at this tall beautiful woman who was in high school or beyond then. Susan and I were pleased to be invited to her California wedding reception and we visited a couple of times with her in San Marcos until losing touch. I was comforted to know she had returned to Chicago to be with family. We would love to see all her family and friends to celebrate her life but our family obligations here prevent that. All our love to you her children and grandchildren and may we meet someday.

“ So sorry to hear of cousin Gwen's passing. My memories of Gwen are as a kid at the family gatherings. My mom side of the family would get together at grandma's house for all he holidays. Those were fantastic times for me. Cousin Gwen would watch me and my friends when my mom and grandma were out. She loved to play the board game "Sorry". She was a beautiful woman inside and out.
