“ I wish to extend my sincere condolences to the family of Harriet Donndelinger in their recent loss. I knew Harriet personally and professionally for over 40 years. Harriet was always ready for a new idea, hard work and fun. That particular outlook served her well in her staff duties at the Special Education District of Lake County, (SEDOL).

I know for a fact that there are several hundred former students who are employed in the community thanks to her hard work, determination and sunny take charge way of dealing with situations.

No one could have a better friend. No one was more fun to be around. No one cared more about her students than Harriet.

I say not good bye to my friend Manew, but see you later! Bob Ralston. SEDOL 1973-2007.
