Dear Mom, I love you beyond words! There is just so much you have taught me in life... How to love, how to show love and how to be a good person. You were loved by so many and you will always live on in our hearts 💕 . Tell Dad and Richard that I miss them and don't forget to send me "The Sign" I asked you to send me from Heaven! You were Our Beautiful Mom and we know you loved us all. My fondest memory of you as when you would look out the back sliding glass door in Buffalo Grove. You would be ironing clothes while listening to Diana Ross and you would do a little dancing while watching us kids play in the swimming pool. I always loved hearing you as you joyful did your household chores. You taught me to love working and to enjoy doing chores. There is so much about you that I see in each and every one of my siblings. You were truly a Gift from God. I love you mommy 💕💕
