“ *Helene was a dear friend of 35 yrs. She always had a zest for life and keeping busy. Despite her many physical challenges over the years, she rarely let it hold her back. She always chose to be immersed in the community. I always enjoyed her wit and vibrant personality. Whenever we were together, we always managed to share some life and laughter. She will be dearly missed by many.*

“ *Mrs. Killackey will always be one of my "other" moms. I remember her taking Sharon and me to the roller rink, and her cheering us on at soccer games, and so many other small things. I'm sorry for her loss, and hope that her family can find comfort in the good memories during this difficult time.*

“ We had just been thinking about Helene recently and why I had not seen or heard from her. I had no idea that she had passed until I was looking through a CCHS magazine online today. Please accept our sincere condolences at this late date. She and I sure had a lot of fun memories together as religious education coordinators for kindergarten and third grade, respectively. The last time we had dinner we talked for hours, picking up right where we previously had left off. I will miss my friend.
