“ *My sincere condolences to the family. Some of my fondest memories of Uncle Hank were when he was still single and came over to our house to give the nieces and nephews a ride in one of his many fancy cars...usually a Cadillac. I specifically remember the convertible and thought it was so cool that he came over to give us a ride with the top down! Uncle Hank was truly a family man and I will remember his "flat top" hair cut and contagious grin. I hope that he and my dad are catching up on the last 34 years. May he rest in peace.* ”
