“ I extend to you our most heartfelt sorrow and condolences. I have only warm and good memories of Lee. Whenever I hear or think of Lee, the first image / memory that comes to mind is from the summer of -81. Him standing in the driveway at the old 6 star ranch by the (for me) huge station wagon (Oldsmobile, Buick, Chrysler?), filling it with coolers and stuff for a common Björklund / Peterson trip. A big mischievous smile and always close to a laugh.

“ My thoughts and prayers are with all of you. Uncle Leroy (I get to call him that as he was my Godfather) was always cheerful and made quite an impact on me when I was young. I will never forget that he and Aunt Doris gave me my first Beatles album and how we danced in the family room. May all of you find comfort in the good memories shared by those whose lives your father touched.
