“ Ken Petersen was my dear brother-in-law. He was Lyle’s big brother and always took care of him as they grew up. I enjoyed our family times at our lake house as we enjoyed Nonne and Poppy Petersen with all 12 grandchildren. Ken, Lee, and Lyle manned the grill. Mary, Judy, and me manned the kitchen and we all manned Poppy’s bar. I love Ken and send my love to his beautiful family. Aunt Ellen

“ Ken was a wonderful brother, and he made me laugh. I remember a story when he was going to be punished and he ran down the block, with our mother in hot pursuit and gaining on him, even though she wore heels. She eventually caught up with him and he got what was coming to him. Everyone was dying laughing when he told his stories. We will all miss him. My condolences to the whole family. I wish I could be there.
