“ I was 16 new in the USA and lived in Silver Spring, MD by myself. I was a student with very limited income. He embezzled \$50 from me and was proud to do so.
May his soul burn in hell !

“ Hal and Helen lived across the street from me in the 1980's. I got to know them, along with Bob and Robin. Fantastic loving and giving family. Hal was always inviting and friendly. He loved humor, and always had something funny to say.

We will be praying for God's peace for Helen, Bob and Robin, and the rest of the family.

“ Hal was a sweet and giving man. He always made me feel like family in his home when I would visit him and Helen. One of my visits he took me to Fritzal's for German food since I had never had it before. I asked him to help me pick a meal. He bought our meals and even got dessert. That day was a wonderful memory. Hal and Helen would invite me to stay overnight with them when my husband was out of town. I will miss him very much. There is so much more I could say. He was the best.... Good friends are precious. I love you Hal... May you have peace in Heaven...
