“ *Ina will be greatly missed. Not only was she a good friend for almost 40 years but she was Godmother to my children. My favorite memory has to be when we went to Disney and she swore that all fireworks were the same and after she saw Wishes for one of the last times she turned and said, "OK Now I've seen real fireworks"! I wish you peace friend and will miss you
"Star light, star bright,
First star I see tonight.
I wish I may, I wish I might,
Have the wish, I wish tonight."*
