“ Our heartfelt sympathies to the Kruckman family from The Brashear Family. We recently heard of Irene's passing and are so very sorry. Irene was a lovely person who was included in family events along with the Doescher family. Irene loved to laugh and reminisce about family ancestry and the history of Libertyville. Irene worked with our Mother, Myrle, along with Paul Doescher, We will miss her greatly and think of the fond memories she left with us. God Bless you all.

“ Boys  
I first met you mother when I walked into Butterfield Shool as a very green assistant Princpal. Our friendship and loyalty was ever present and we sure had fun all those years until her retirement. Afterwards luncheons, phone calls, and visits kept the love we had for each other alive.  
Oh so many cherished memories. She will always be in my heart.  
I can truly say there never be another Irene.  
So sorry I was out of town for services

“ I first met Irene when I became the Asst. Principal at Butterfield and for that year, she guided me and we bonded in friendship. Even when I left for Adler's Principalship, Irene and I would still meet for breakfast or lunch and exchange stories about our friends and families. Every year she remembered her friends with birthday cards, phone calls and, at holidays, with her homemade ornaments. She tried to bring joy to everyone she knew. I will surely miss her!

Rest in peace, Irene. We all miss you terribly! You are truly a treasure to have known, and to have been a fellow worker at Butterfield school as a teacher and visiting you at the office to chitchat with and to have fun with bantering with whenever I encountered you. Your gentle, personality, and sweet smile will surely be missed!

“ Irene was the glue that held us together at Butterfield School during some interesting times. Long after many teachers were dispersed to other D-70 schools she kept us in contact through Christmas cards and holiday phone calls. She made Christmas ornaments for each of us for years - I still have the little Hershey's kiss one! I will miss her and send sincere condolences to her family.
