“ I’m in shock reading this. I had no idea he had passed. He was my real estate client and I truly thought he was a wonderful human. I still have hostas in my front yard that he helped me plant. I always enjoyed talking to him and his quick wit. My deepest condolences to his family. I was just looking through our text messages from years ago when he was sharing the birth of his grandson, Conor John Cummings in 2017. Such a proud grandpa.
