“ We love Jim and Helen so much. It has always been fun to be at the races or sales together all these years. Jim had a Great outlook on life. He said last year that he was going to just enjoy each day because he did not know what tomorow would bring. I will never forget this past Nov. at the sale or when we watched Sugar Shock run in her races. I know that Jim and Al will be having a drink and betting on the horses from heaven. Jim was so knowledgeable about TB horses. He always knew how to make people laugh. We will miss him so much.

“ *Helen, Jim may not be there with you in person, but his love will always stay beside you, around you, to protect you through. I remember our times hanging out at Downings, I believe they only stocked Grand Mariner for Jim, and just saw how happy you two are. Remembering you and your loved one today and always.*
