“ I'm so sorry to hear of Jim's passing. I lived in Libertyville 1989 - 2003 and was a member at Stick and Rudder from 1993 on. In my time at Stick and Rudder, Jim was a good friend and mentor to me. I recall many good times with him many of those times centered around flying, but we shared many other good times as well. My thoughts and prayers go out to his family and friends. Ed

“ My wife and I have many fond memories of Jim and are sorry to hear of his passing. Jim was a talented and kind man who loved flying and the Club so much that he dedicated much of his adult life to make it the best it could be. My wife was especially fond of Jim. His personality always lit up when a lady was in his presence. He always made Lynne and other female guests and members feel special. It was one of his talents and pleasures. We want to extend our condolences to Steve and his family. Our memories of Jim will remain with us forever.

Jim was a great Manager and Chief Pilot and a mentor to many, especially me, I would not be a pilot today without his support and encouragement. Fly west, Jim.
