“ My deepest condolences to Nancy and his kids and family. Sending a bear hug to Nancy. My memory of Jim is when he came to my house with a brand new sump pump to install in the crawl space. Him, Nancy and Tony showed up on a weekend day unbeknownst to me they we're bringing that pump. Mine had burst and flooded my basement, during winter of course, and I absolutely had no knowledge of putting a sump pump in. They bought it and installed it and I was so very grateful for their kindness to me and my daughter. I can remember how me and Nancy shard chuckles of Jim having to crawl into that space thinking how glad we were we didn't have to crawl in and possibly discover critters. I remember Nancy and I sharing stories of our families. I was shocked to rceive the news, and send my love and deepest sympathy. Love to you Nancy, Nicole and Tony.
