“ Jimmy was on the unicycle and I was on the three wheeler. We used to ride those all around town. Jimmy would get all sorts of looks and people would stop in their cars and want to take videos of him on the unicycle. He became really good on that!

“ I knew Jimmy from grade school growing up in Vernon Hills. He taught me how to conquer my fear of doing a backflip. He always stuck out and brought something special from everyone else. I remember him for being funny and always having a smile on his face. Im so sorry for his family and his family's loss. Thank you, Jimmy, RIP
