“ I grew up with Jim on Victory Drive when I moved there when I was 4 years old. Along with Pat Sobey and David Schultz, the four of us would play football, baseball, cowboys and Indians and any game we could think of all the time. It is because of Jim and his Dad's love of football that made me want to start playing the game starting in 4th grade and completing my playing days at the University of Wisconsin. Jim & I played flag football together in the Gurnee Park District for several years, and he and Pat Sobey stood up in my wedding in '85.

I loved Jimmy like a brother, and part of me is missing now that he is gone.

Someday all four of us may be reunited in heaven and again put on the pads and play football in heavens' backyard

“ I'm best friends with Natalie, James' 3rd child. She's practically like a sister to me. I remember whenever I went to their house, James was always cool with me. I hate to see this family have to go through this. They don't deserve this kind of pain. He's in a better place now and out of his suffering.
