“ I was saddened to learn of Jane's passing. We met in day camp at Adler Park and our friendship continued through the years. We taught in the adult education program together and had many happy memories of those evenings. I will miss Jane but am relieved that her suffering has come to an end. Rest in peace, Jane, my friend. Martha

“ Howard and I will so miss talking with Jane on the phone and getting her to laugh at a silly joke or hearing our dogs do crazy things!

Jane and I started our friendship at Baxter over 20 years ago and we continued our friendship along the way.

We had a lot of great times together in Chicago-land, mostly around our favorite activity, shopping!

She was a gentle soul with a great sense of humor and while we will miss her, we are grateful that the ravages of this horrible disease are over for her.

We miss you Jane and will never forget you.

“ I will miss Jane and her easy laugh. Many a breakfast with Jeff and Jane at Denny's over the years. Her battle with an unforgiving disease is over. She is at peace.

“ Jane was only 1 year ahead of me in high school and we didn't know each other then. But we became connected when I became her dental hygienist in an office in Highland Park. I always looked forward to seeing her and sharing stories. She was a lovely lady with an infectious smile and laugh and always happy. My thoughts go out to all her family. I am glad to have been part of her life.

“ So sorry to hear about Jane. She was one of my best friends when we were children. Some fond memories, and a few pictures from that time, are a reminder of the easy to laugh, personality, and her beautiful smile. It makes me sad to have not known her as an adult, but from the sound of others comments she was a great person. Our thoughts, and prayers are with the family.
