“ Janet was the woman most responsible for my stint of training airedales for people. She shared her love of the breed, and her referrals made it possible for me to stay home with my family while adding to our income. I always loved talking with her, with that great Chicago accent of hers. She will be missed!!

“ I knew Janet as a caring parent - her son Jay was in my 4th grade class at Millburn. The association continued from there as she was a welcoming figure to the entire Millburn staff on numerous occasions.

“ My wife and I bought 3 Airedale terriers from Janet, and over the years we got to know her a little. We have fond memories of her place up near Gurnee in the trees with the pond. It was so exciting to drive in there and know that an Airedale puppy awaited! My son and his wife bought two Airedale puppies at the same time from Janet. I have her book on Airedales, and I so enjoyed speaking with her about them. I am sad to learn that she is now gone, and I will never forget her and her love and passion for these wonderful dogs. God bless. Mike Miller

“ *My bucket list included an Airedale from StoneRidge. Six years ago (2010) my list was fulfilled when we adopted a puppy we named Fredastairdale (Freddy.) Freddy was a Helluva puppy..we came close to sending him back to Janet(!) But he calmed down and became the WON-DERFUL dog we have now. Freddy is affectionate and loving. Thank you Janet for breeding such a wonderful dog!Hennie and Tom Greenland*
