“ *Jan was always a helper and a giver. She was always there helping and giving her time. And she was a great listener and advice-giver. Her loving, giving spirit and her warm smile always made my day. And boy was she funny!! I'm so blessed to have known Jan- what a bright light and shining example she was to us all. She will be greatly missed.*

“ *Jan was one of our best neighbors on Adler Drive. She had such a caring spirit, even when dealing with Bill's problem. Cheryl was in our Linda's class and Steve in our Fred's. I think Brian was a year ahead of our Susan. Jan got us introduced in the Church. She was a dear friend and she will be remembered and missed by oh so many!*

RIP, dear Jan!

“ Wish i had enough words to describe how much your Mom meant to me...just know she will always be in my heart. From the time she came for our Christmas Party and had a dress on and i said Oh a dress and she said "well i have to show people i have legs" to the last note she sent me sharing Birthday "JABS" She has given so much and will never be forgotten....they say we can't take anything when we leave this old world, but the only thing you can take with you when you leave this old world is the GOOD you've left behind, she sure left much...RIP dear friend

“ Jan had so much energy and was so helpful for PADS. For many years she made dinner the first Saturday of each month for our PADS guests and she also was the supply coordinator. When I was out of town she would come in early to open up and make the coffee etc. We all know how she kept the kitchen in order! We will miss her so much!

*Jan and I connected when we were both employed at Hollister and I was so thankful for her friendship. We both had children in the same high school class and we would talk about our kids and everyday life. I often found myself with a smile on my face after being with Jan. She truly was the person everyone has talked about in their memories. Caring, funny, helpful - there aren't enough words to describe what a wonderful lady she was and always will be in my memory.
