“ Dear Dennis and Family,
It is with heartfelt sadness to know that Jean is no longer with us. She loved you all so much and was so proud of each of you. She will be with you always in all the beautiful memories you had together.
Jean and I have been playing bridge together for over 20 yrs. We had so much fun playing and laughing. Jean was the best player too! It is at the bridge table that she shared her wonderful stories of travel, kids and family. She was a special person that I will miss dearly. I will have wonderful and cherished memories of my friend too. With my deepest sympathy.

“ Dear Dennis, We send you strength to continue through the weeks and months ahead. We think back on our times with you and Jean at Boardwalkers as so much fun. We especially remember the wedding gift "regifting" party at your home and how hard Jean laughed as she realized what was unfolding. You were quite the team. “ I only heard about this about 10 minutes ago. I am so deeply saddened to hear about this. Jean was definitely one of my favorite "friends-older-siblings". she was so dog-gone funny and fun to be around. I had the distinct honor of singing Zippety Doo Dah at her wedding along with her brother Jerry. I remember her laugh, her great guy of a husband Dennis and that beautiful head of curly hair on little Jessica. My most extreme heart-felt condolences to Dennis and kids and the entire Chamberlain family. You are a group of siblings that will come together for each other I am sure. Having lost a brother at 45years old I know the sting. Time and faith will eventually help to lessen the pain and make it bearable until we are all to gether again. God BLess, Steve Olson
