“ *In the early years, Jean and Mel lived on 4th Street. Jean planted floers all the way up the walk to their house. Daffoldils gretted the house evey spring. One spring, she decided she wasn't going to lift the bulbs one more year. Jean took the daffodillies out to Casey Road and she and her friend Gladys planted them along the crrek bed. They still bloom to this very day and where each one was planted, now there are several dozen blooms per bunch.*

“ *I want to express my sympathies for your loss and apologize for not making the visitation but did not read the obit until after it was over. I do have fond memories of two of my best fifth and sixth grade students at Copeland Manor School. Having been retired now for almost 22 years, I have good memories of my years at Copeland and hope you have experienced good lives and also have good memories especially of your parents, family and friendsl.*
