“ From the Deacon family, also of Meadow Lane: thank you to Mrs. Oller for her years of teaching at LHS. I was in two years of Spanish, and also went to Mexico for a week with her and the Spanish Club. It was only after I became a teacher that I understood that it was NOT a week of vacation and fun for her; good for her to take us all. She was a lovely person who is an example of how to live out one's life. I admired her.

“ Remember the Oller's well, we lived right around the corner on 2nd Ave and Lincoln. Hung around with son Steve. LHS was doubly lucky to have them both, Gracias por tu enseñanza y tu ejemplo..

“ I lived across the street from the Oller's on Meadow Lane - they had the most beautiful home on the street, as it took up three lots. I had Mr Oller for history class at Highland School, and then Mrs Oller for Spanish class in LHS. Both of them were outstanding teachers, my problem was I did great in history and terrible in Spanish - to help my Spanish grades I volunteered to do odd jobs out around their home such as painting their basement walls - this helped me to get a passing grade, but 50 years later, I had zero Spanish speaking ability on my 5 trips to Mexico during Covid - I'm sorry for not being a better student,
After leaving Libertyville for my Navy career, I'd still come home about once a year, and made it a point to link up with Jean, as my Mom kept up a close friendship over the Oller's and then the Wilson's years. For her son Steve and his family - I send along my heartfelt condolences, for a giving life well lived.

“ Mrs Oller was such a thoughtful and inspiring teacher. Classes at Libertyville High School set me on the road to live, study and work in Latin America for during college and for years afterwards. My condolences to her family and loved ones.
