“ My mom, a friend, and loving person to me and to all her family. There are too many words to express all that you have done for me, Ed and our families, and the constant love and smiles that were wider than the ocean blue. Each memory will be everlasting in my heart. I will talk about you until the Lord calls me home to be with you. The heavens are rejoicing as you have met all our loved ones passed. To God be the Glory great things he has done and that is, he made you "MY MOM" and with my Dad together you both gave us a legacy that will go on to our generations. I LOVE YOU Your daughter and wonderful son-in-law, Ed, who loved you so.

“ GG -  
Your smile was contagious. You always looked at the positive and had a smile to show that everything will be ok.  
You were a strong and gracious woman.  
Our times together replay over and over in my head. You knew how to make somebodies day into a great day.  
I am so happy that you are at peace and you have your wings to carry you know. I know that you will be looking down on all of your friends and family with that beautiful smile and those painted lips :)  
I love you GG until the day we meet again.

“ Dear family of Jeanette, my heartfelt sympathy to you all. What a loving soul that graced this earth for 96 years! I feel privileged to have known her. Anyone who carries the memory of her "stamp of love" on their cheek should feel thankful and blessed. God bless you all.

“ Dearest GG - Lipstick, scarves, cookies, glass of wine, peanuts, popcorn and koosies are just some of the things everyone will remember you for. But I will always cherish the special time we spent together while growing up. From baking cookies from scratch and not even allowed a single taste out of the bowl to our special date nights out to dinner then to a movie or play. Helping to hang laundry to dry to watching you play crossword every night while making dinner. Then our special Sunday's sitting in the pew at church with the family then heading over to your house to spend the afternoon together listening to the Cub's game and cooking out brats. Aaahh the memories.  
Love you GG and I will deeply miss you but I know we will be together again but at that time forever.

“ Hi Mom- Yesterday and today as Pat and I drove from place to place we looked up often and saw that the sky was as beautiful as we had ever seen it. We knew why. It is because you are there above us and have made heaven that much more beautiful. Dad, Bonnie and now you, are in that ultimate place together with so many we knew and loved. Everything that is good in me is because you and dad taught me what is really important in life. I thank you so much. I look forward to seeing you all again after this short life. All my love. Your son, Terry
